

St. Adalbert Funeral Song List

Note from the Music Director: If you are not interested in making music selections - the Music Director will be select the music for the funeral. It is not necessary for the family to select music if so desired. It is also not necessary to choose all the songs if only 1 or 2 are specifically wanted for the funeral. For those who wish to make music selections for a funeral liturgy: Music used within the funeral liturgy should be sacred and liturgical in nature. The music also should speak of the hope we have in Christ's victory over death. Below are a list of songs that are acceptable choices for funerals celebrated at St. Adalbert Church. In the listing: MI=Music Issue M=Missalette The numbers for the Missalette are left out because they change with each season (use Missalette index).

A note about Offertory: In general, we use instrumental music during the Offertory , since it is very short. However, if an Offertory song is strongly desired, we will try to accommodate your wishes. If there is a request for the Ave Maria, it will be sung during the Offertory. Also, please note that if there are songs desired that are not on this list, they must first be approved by the Music Director. If the Music Director determines they do not meet the criteria the Church has set forth for music for a Mass, they will either be used in a Prelude (prior to the Mass) or not at all (if the music is unavailable).
